

Fourth Lance-Goadsby Symposium: Mind Movement Migraine International Neuroscience Symposium (Virtual)

Date: Thursday 30th September – Saturday 2nd October

Live sessions: (Details below)	Thu 30 th Sep:	Fri 1 st Oct:	Sat 2 nd Oct:
	6:00pm – 7:00pm	6:00pm – 6:45pm	8:00am – 8:30am
	7:15pm – 8:15pm	7:00pm – 7:45pm	8:30am – 9:00am
	8:30pm-9:30pm	8:00pm – 8:45pm	9:00am – 10:00am
		8:45pm – 9:30pm	10:00am – 10:45am
		9:30pm – 9:45pm	11:00am – 12:00pm
			12:00pm – 12:45pm
			4:00pm – 5:00pm

Venue: Virtual

Registration: <https://www.accelevents.com/e/fourth-lance-goadsby-mmm-international-neuroscience-symposium>

Cost: FREE

Course Directors: **Prof Tissa Wijeratne (Australia)** - Chair, SIG-MIGRAINE, WFNR, Chair, Migraine Foundation, Chair, World Brain Day, World Federation of Neurology
Prof Rajinder Dhamija (India)- Chair, SIG-Movement Disorders, WFNR

Organising Committee: Stefanie Bird, Alex Yeung, Stella Le, Sumudu Perera, Chanith Wijeratne, Sam-Odusina Oluwatobi, Dhara Seneviratne; Lin wang, Lakshini Gunasekara, Parveen Sagar, Daniel Barber

Enquiries: Stefanie Bird: E: stefanie.bird@unimelb.edu.au

Over Forty speakers will cover every aspect of brain disorders from pathology to neuro-rehabilitation with a view to promote better brain health. This MMM virtual symposium will promote solidarity, collaboration, knowledge, resilience, education, research and world class patient service despite the pandemic. Let us bring the best qualities of human beings together; Theme: Connections to Stop Multiple Sclerosis to celebrate the World Brain Day 2021

SPONSORS:

Symposium Agenda

Program – Thursday 30th September

6:00pm – 7:00pm	Opening Ceremony (Live) including Prof Peter Goadsby special lecture “ Inspiring Story of Professor Lance” (special Guests, Two past Presidents, AAN, World Stroke Organisation) President and Secretary Bangladesh Society of Neurologists, President Elect, Indian Academy of Neurology, President, Sri Lanka Association of Neurologists, CEO, Brain Foundation, Australia, CEO, Pain, Australia , Board of Directors, Migraine Foundation, Department of Neurology and Medicine, Western Health and Melbourne Medical School and many other distinguished guests and delegates
7:15pm – 8:15pm	Mapping 20,000 treatment sessions with Botulinum Toxin – Matt Martin and Professor Con Yiannikas
8:30pm – 9:30pm	Neurology MCQ – Dr Lakshini Gunasekara and Dr Daniel Barber

Presentations will be available from 5:30pm

EPILEPSY

Genetic basis of epilepsy – Laureate Professor Ingrid Scheffer

Diagnosis of idiopathic generalized epilepsy: Traps & pitfalls – A/Prof Udaya Seneviratne

MOVEMENT DISORDERS

Management of Late-stage Parkinson's Disease – Dr Laura PerjuDumbrava

Gate freezing – A/Prof Andrew Evans

TBC – Professor Michael Okun

Focused ultrasound for movement disorders – Dr Mina Ghaly

Neuroanatomy of Movement Disorders – Dr Melissa Tang

Management of dystonia – Dr Alex Yeung

Symposium Agenda

Proudly presented by Migraine Foundation Australia, University of Melbourne, & Department of Neurology, Western Health

Symposium Agenda

Program – Friday 1st October

6:00pm – 6:45pm	MS rehabilitation – Dr Nirmal Surya
7:00pm – 7:45pm	Neuromusicology – A/Prof Shantala Hedge
8:00pm – 8:45pm	TBC – Prof Vasso Apostolopoulos
8:45pm – 9:30pm	Student networking session
9:30pm – 10:30pm	Lance-Goadsby Oration – Prof David Dodick

Presentations will be available from 12pm:

MULTIPLE SCLEROSIS

Multiple Sclerosis Atlas, why should you care? – Dr Rachel King

An Update on Multiple Sclerosis – Prof Trevor Kilpatrick

Demyelinating diseases in Nepal – Our experience – Dr Raju Paudel

SPECIAL LECTURES

Sleep and Neurology – Prof Shantha Rajaratnam

Future of global Neurology – Prof Andrea Winkler

What constitutes wellness in neurological disease? – Prof Indu Subramanian

Diet and brain health – Prof Chandrashekhar Meshram

NEURO-OPHTHALMOLOGY

Neuro-ophthalmology Master Class- Headaches and Visual Pathways (Afferent and Efferent) - Prof Vivek Lal

Eye signs for the neurologist in the ICU – Dr U Meenakshisundram

Vision Biomarkers in Brain Health – Prof Algis Vingrys

Neuro-ophthalmology for general neurologists – Dr Neil Shuey

9TH ASIAN REGIONAL CONFERENCE OF HEADACHE (ARCH) & FOURTH LANCE GOADSBY INTERNATIONAL SYMPOSIUM

Migraine in the workplace: A call to action – Nim Lalvani

Treating migraine with neuromodulation: The role of abnormal neurophysiology and maladaptive plasticity – A/Prof Chi-ieong David Lau

Observations 2020: ‘Teaching headache’ – Prof Ronald Allen Purdy

Atogepant in the prevention of migraine – Prof Jessica Ailani

Headache in emergency departments – A HEAD Study – Prof Anne-Maree Kelly

Headache in emergency departments - Columbia – Prof Anne-Maree Kelly

Headache in older persons – Prof Anne-Maree Kelly

Proudly presented by Migraine Foundation Australia, University of Melbourne, & Department of Neurology, Western Health

Symposium Agenda

Headache in the neuro ICU – A/Prof Regina Macalintal-Canlas

Vestibular migraine (VM) update in the neuro ICU – Prof Shuu-Jiun Wang

HEAD-O – Dr. Richard Pellatt

HEAD study – Dr Frances Kinnear

COVID-19 and Migraine; All you need to know (almost) – Prof Tissa Wijeratne

Approach to headache – Dr K Ravishankar

Trigeminal Neuralgia an Update – Prof Tissa Wijeratne

Botulinum Toxin Injection for Migraine – Workshop Part I – Dr Simon Sung

Pathophysiology of reversible cerebral vasoconstriction syndrome – Prof Shih-Pin Chen

Thunderclap data for RCEM ASC Rod Little Prize – Dr Tom Roberts

Interesting news from Thailand – Professor Siwaporn Chankrachang

High pressure headaches- Dr Nadie Rathnayake, Neurologist

Symposium Agenda

Program – Saturday 2nd October

8:00am – 8:30am	American Migraine Foundation , Migraine Canada, Australia – Community engagement - Nim Lalvani ,Prof Elizabeth Leroux, Prof Tissa Wijeratne (TBC)
8:30am – 9:00am	Assessment of Dystonia – Elizabeth Judd, Senior Neurophysiotherapist
9:00am – 10:00am	Botulinum Toxin Injection for Spasticity/ Dystonia – Workshop Part II – Dr Simon Sung , Dr Andrew Hughes and Dr Daniel Barber
10:00am – 11:00am	New immunotherapies in AD and IPD - Laureate Professor Colin Masters
11:00am – 12:00pm	3-Minute Thesis Competition: Inaugural Peter Goadsby Medal and Certificate Live Interviews with award winning MC Dr Shane Huntington OAM
12:00pm – 12:30pm	Clinician Scientists: Why do we need them? –Professor Mark Parsons
4:00pm – 5:00pm	Closing Ceremony

Presentations will be available from 9am:

STROKE & TBI

The ischemic penumbra: The story – Prof Geoff Donnan

Thrombectomy: The challenges – Prof Stephen Davis

The first ‘evidence-true’ guideline for carotid disease: Under the Auspices of the IUA – A/Prof Anne Abbott

The role of neurorehabilitation in traumatic brain injury – Dr Caterina Pistarini

COGNITIVE NEUROLOGY

Cognitive Neurology Part one – **Professor** Amy Broadman

Cognitive Neurology part two – Associate Professor David Darby

SPECIAL LECTURE

Neurosurgery for neurologists – Dr Ruvini Abeygunaratne , Senior Neurosurgeon (UK & Sri Lanka)

Symposium Agenda

Proudly presented by Migraine Foundation Australia, University of Melbourne, & Department of Neurology, Western Health
